**RE: Informatics and Geographic Information Systems**

Dear Maggi:

This letter summarizes my decision regarding the proposed Fiscal Year 2018-2019 recharge rates for Informatics and Geographic Information Systems. I have approved the following rates to be effective from July 1, 2018 through December 31, 2018. The rate proposal will need to be resubmitted in January 2019 once there is a revenue generation plan in place.

**Informatics and Geographic Information Systems Labor only Rate**

Geo Info Sys Supervisor II Feirer	\$90.51/hr
Geographic Info Programmer II Johnson	\$55.46/hr
Acad Coordinator II Hogan	\$63.91/hr
Acad Coordinator III Lyons	\$78.64/hr
Geo Info Sys Programmer III Flanagan	\$64.95/hr

Your staff should work to ensure that the above approved rates are published in accordance with ANR practices. In addition, please coordinate necessary budgetary entries with Han Pham at [han.pham@ucop.edu](mailto:han.pham@ucop.edu), and financial entries with Jing Yu at [jing.yu@ucop.edu](mailto:jing.yu@ucop.edu).

Each of these rates applies to a specific individual and represents their current and projected hourly salary/benefits. If the compensation for any individual varies from the schedule above, you will need to submit a new rate request to the ANR Resource Planning and Management Office for approval.

If you have any questions please contact Han at (510) 587-6441 or [Han.Pham@ucop.edu](mailto:Han.Pham@ucop.edu).

Sincerely,

Jennifer Bunge  
Director  
Resource Planning and Management
